# Languages **Chinese** 中文

## UNITS

### TERM 1

The Individual

### TERM 2

Society and Community

### TERM 3

The Changing World

### TERM 4

Diverse Perspectives

China has a long history and hundreds of millions of people speak and write Chinese in their daily life. It's also the source of a wide range of classical and popular culture.

You can learn to speak and write Chinese, explore Chinese culture, and discover new perspectives. Open your eyes to a new opportunity with Chinese.
