

MUSIC TUITION PROGRAM

Information Note

Melba Copland Secondary School started a new music tuition program in 2023, allowing students to take part in one-on-one instrumental lessons during the school day. External tutors come on site to share their music expertise with students at MCSS, allowing us to further our music program here at MCSS. This is a great opportunity for your child to be able to further their technical understanding of their instrument.

Students will be allotted one half-hour slot each week and will leave their regularly scheduled class to attend their music lesson. Lessons are currently offered through Canberra Music Tuition for instrumental lessons, and Taylor Paliaga for vocal lessons. Students are responsible for ensuring they are prepared for each music lesson, ensuring that they have their instrument, music, and anything else they may need for the lesson each week.

Prices in 2023 for these lessons approximated \$41 per half hour lesson, or \$410 for a term's worth of lessons. If you have any questions regarding this program, feel free to contact Ms Helena Maher on the contact details below, or return the attached form. Any expression of interest will then be forwarded on to the relevant tuition provider, and they will be in touch regarding days and times that work for the tutors.
